## WINGS Common Certification Activities and How to Get WINGS Credit

Congratulations on your new certificate or rating! Earning a pilot certificate is a major milestone, and it is just one of many in your flying future. Admit it. You are a go-getter! In addition, you are ready to take on the next challenge to expand your horizons as an aviation professional. We hear you, and we think you will agree that the FAA **WINGS** Pilot Proficiency program is the best choice for you.

It is easy to join — and it's FREE!

This is your exclusive invitation to enroll in our personalized pilot proficiency program and claim your WINGS!

As a **WINGS** pilot you will:

- Maintain currency and proficiency,
- > Improve your knowledge and skills, and
- > Join a group of pilots with an UNPRECEDENTED SAFETY RECORD!

The **WINGS** program awards eligible pilots with a basic, master, or advanced phase of **WINGS** based on completion of a specific set of knowledge topics and flight activities. As an added bonus, you can satisfy the requirement for a flight review by simply completing any phase of **WINGS**. In addition, did you know that in addition to getting **WINGS** credit for completing certain flight activities, you could also get credit through your regular flight certification activities like your private pilot checkride or IPC?

Did you know that in addition to getting **WINGS** credit for completing certain flight activities, you could also get credit through your regular flight certification activities like your private pilot checkride or IPC. Here is just a sample of the many flight certification activities that you will find in the **WINGS** program.
